

# Portland International Airport

**2008 Annual Passengers: 14 million**

## OVERVIEW

Ranked "Best U.S. Airport" 2006, 2007 & 2008 by Conde Nast in its Business Traveler Poll, Portland International has a loyal and savvy passenger mix that truly enjoys the ambiance of this airport and plans ahead to spend extra time in the terminal before a flight. Over 14 million passengers a year use PDX as their gateway to and from Portland and the Pacific Northwest. The airport offers non-stop flights to nearly 60 domestic and international cities in the U.S., Europe, Canada, Mexico and Asia, with an average of 500 departures daily.
